Centennial History of South Carolina Railroad - From the SRHA Archives	\$40.00	\$4.00
<p>This book was originally published in 1930 to commemorate the 100th anniversary of the South Carolina Railroad. These books have been housed at the Norfolk Southern corporate archives and are in mint condition. To support the archives, NS graciously donated these copies to the SRHA. We are offering these to our members on a first come, first serve basis. As these are limited in number, we request only one copy per member. 335 pages, written by S. M. Derrick.</p>		
2nd Supplement - Southern Railway Legal History - From the Archives	\$50.00	\$4.00
<p>This book is the second supplement written to Fairfax Harrison's 1901 "Legal Development of the Railroad System of Southern Railway Company". This book was published in 1958, and is in mint condition. To support the archives, NS graciously donated these copies to the SRHA. We are offering these to our members on a first come, first serve basis. As these are limited in number, we request only one copy per member. 592 pages, written by John B. Hyde, Hardbound.</p>		

Models

This category contains models of Southern Railway prototypes.

New! Southern Railway (MBI Railroad Color History) - by Tom Murray	\$36.00	\$5.00
Author Tom Murray explores this complex prehistory before examining the Southern's nearly nine decades of freight and passenger service, right up to its 1982 merger with Norfolk & Western to form Norfolk Southern. Financier J. P. Morgan makes an appearance in the story, which takes in points of interest such as the 21.5-mile trestle across Louisianas Lake Pontchartrain and legendary passenger trains like the Crescent and the Southerner (Hardcover: 160 pages)		
Southern Railway: Further Recollections - Pictorial History Book published from the Archives of the SRHA	\$18.00	\$2.00
This volume takes a more detailed look at a historic railroad that has served the South for over 100 years. Included in these pages are stories of bravery in war and ingenuity in peace. From 1942 to 1945, the 727th Railway Operating Battalion-sponsored by the Southern Railway-served in North Africa and up the spine of Italy into Germany. Also included are histories of yard construction, and the steam programs. 128 pages
