

KUDZU RAILS '04

*Sponsored by the southeastern railroad historical societies
<http://www.srha.net/kudzu/default.htm>*

Dear friends,

As you may have heard, a large number of historical societies and other sponsors are coming together this spring in Kennesaw, Ga., on May 20-22 for a large joint meeting called "Kudzu Rails '04." A major feature of this meet will be a large railroading and model train show. We have about 12,000 sq. ft. of space for the show, and attendance is expected to be high, given the interest we have already generated with our advance publicity plus our location in the huge Atlanta metro area. This meet, sponsored by the southeastern historical societies and other major sponsors, will feature clinics, model displays, operating layouts, museum displays, and rare-mileage fan trips in addition to the show. We clearly expect this to be one of the largest train happenings ever held in the southeast!

We'd like to extend to you the personal invitation to come to the show. Tables (30" x 8') are only \$25, and electricity is free (first come, first served). The contract on the other side explains the details. Proceeds from the show, which will be open to the public, go to help the sponsoring organizations and defray the cost of the event. We think this will be an event that will generate a lot of interest and excitement, not only from area railfans, modelers, and meet participants, but also from the public. This should be a great show for all concerned.

Please plan on coming to show and selling your products. To reserve tables, just fill out the dealer contract form and return to me with your payment. If you have further questions, please don't hesitate to contact me. I am looking forward to an exciting event and show.

Warmest regards,

Paul Faulk

Show Coordinator
